[REDACTED] Comment. It is believed that the former Flak Kaserne quarters officer training courses of the Central Group of Forces in addition to the 59th Independent Signal Regt. The number of field grade officers who have been observed in this area tends to indicate that this belief is justified. A signal unit which is still unidentified, but is probably a component of the signal regiment of the Central Group of Forces, is located in the area of Helenenthalhof. [REDACTED]
